Important information to all families
A change of canteen arrangements from Term 4

Dear Parents,

From Term 4, our school will need to have a new way of organising our canteen service. We have been very fortunate over the past years to have the service of Catherine McAuley’s canteen. As our school enrolment moves close to 400 students next year, we will need a new way to provide this service to our families. In choosing a provider the major considerations were to select a service that provides;

- healthy and nutritious choices
- a simple & cashless option
- parents with a way to be organised if they need to provide a lunch for their children.

We will be using Tuckshop2u (tuckshop2u.com.au) a web-based canteen service starting on Monday October 24, 2016.

Lunches are ordered online and are delivered straight to our school, labelled with your child’s name, learning studio and order description. Meals can be ordered as early as 4 weeks in advance or as late as the night before. It is a simple process to set up your family account online. **You will be able to commence ordering online from October 10, 2016.**

Attached is a description of the menu items and cost.

I would like to remind parents that the students have **10 minutes to eat their lunch** and this needs to be considered when purchasing menu items.

This will be a new way to provide this service to families and you will have an opportunity in the **first two weeks of next term** to setup your account to utilise this service. (During the first two weeks of term 4, we will still have access to Catherine McAuley’s canteen service).

We are extremely confident that Tuckshop2u will provide a healthy, affordable and convenient service for the families of MTP.

Regards,

Gary Borg
Principal
What is TUCKSHOP2U?

Tuckshop2U is an easy-to-use school lunch ordering service that delivers healthy, affordable and convenient lunches directly to schools.

Our mission is to prepare and deliver fresh and nutritious lunches that your child will look forward to eating!
