"You have made us for yourself O God and our hearts are restless until they rest in you."

St Augustine

We all want to be happy, we all want our children to be happy, but what is it that can truly make us happy. We are constantly bombarded by advertising and messages telling us that the next big thing will bring us happiness: looking younger, having more money, winning, status. However we have been created by and for God. Only God can fill the empty space within us and make us complete. Jesus told us that he gives us peace that the world cannot give. So let's look to God to complete us and lead our children to know that true happiness comes from God.
