REMEMBER THAT YOU ARE STARDUST !

Ash Wednesday begins the 40 days of Lent.

Billions of years ago a universe was born. God's creative fire of energy and light, held a starburst of potential. We are products of that stardust. We, who are capable of so much, will one day run out of energy and our earthly life will end. Ash on our forehead reminds us of this truth. Christ's death led to a resurrection to new life. Lent's purpose is not to have us focus on death, but on

opportunity; to use the gifts of life and time and energy to transform ourselves, and our world, to be closer to God's vision for us. So thank God for our existence as earthlings with a fantastic destiny. Live these 40 days more simply, more focused on what really matters. Be generous during Project Compassion, for we share the same genesis as every other human being. You are stardust and unto stardust you will return. Maria Boyd REC
