### **The Source and Summit**

The Eucharist is where our Christian life is nourished. Without the Eucharist it would be very difficult to live in the way Jesus teaches us. The Eucharist is the source of our Christian life. The Eucharist is a celebration of Jesus' love in three ways:

It is a meal.

It is a sacrifice.

It is a memorial.

Over 3 weekends 16 students from Mother Teresa Primary have received Jesus for the very first time in the Sacrament of the Eucharist, at Sacred Heart Parish. This is the first step of a life journey with Jesus as their guide, our strength and our companion as we travel. It is the way we are nourished and strengthened in our faith. We as adults have an important role to play in supporting our children's faith development. Our example of receiving the Eucharist regularly and praying often is vital to show them how faith guides us to life everlasting. Maria Boyd REC

### **Being a SAFE community**

It is important to remember when driving in the school grounds that the speed limit is **15km/h**. We have a responsibility to the safety of our own families and those around us. Even if we are in a rush it is important to be a caring and respectful driver to look after our most precious passengers, our children. Thank you for your consideration.

*A reminder to all our parents ahead of the break at the end of Term 2 that school zones remain in place for the safety of our children and families.*

*School zones operate on all gazetted schools days, which are all days the school is open, even pupil free days.*

### **Woolworths Earn & Learn**

We are really excited to be participating in the Woolworths Earn & Learn program. This program enables our school to earn educational resources when anyone from the school community shops at Woolworths. The program starts Wednesday, 15th July when you can start collecting stickers for every \$10.00 you spend. Once you have completed a sticker card, you can place them in the collection box at school.

### **Winter Vacation Care**
