Pilgrimage is a Sacred Journey in search of God. I have had the privilege of walking in the footsteps of Jesus. I've visited places at the source of our Catholic faith, the church's journey into the wider world and its beautiful embodiment in the lives of two gentle hearted and creative saints. Baptism calls us to a serious commitment to

the call of Christ to live by a creed and values that are very often in contradiction to the messages in the media or society in general. Christianity calls us to love others unconditionally, to build up treasure in our relationship

Baptismal site of Jesus at the Jordan River with God, rather than possessions, money or power, to forgive and then to keep on forgiving, to pray with a sincere and humble heart, to recognise our need for God, to speak the truth, and work for justice. Jesus came that we might have life and have it to the full.
