THE CHALLENGE of LOVE—The Holy Father, Pope Francis, says that “commitment to mission is not something added on to the Christian life as a kind of decoration, but is instead an essential element of faith itself. A relationship with the Lord,” he adds, “entails being sent out into the world as prophets of his word and witnesses of his love.” It is not enough to ‘do no harm’ we are called to do good. We are called to be the agents of change. We are called to be heroes. We have the power to build a society that is just, compassionate, fair and supportive of all people. Listen to the voice deep inside calling you to greatness. Take up the challenge of the Cross.

Dear Staff & Children,

On behalf of Ronald McDonald House Westmead we would like to thank you for your thoughtful and generous donation of Easter Eggs for our families. It definitely takes gentle hearts to be so considerate of others at such a special time of year. Your kindness and generosity means a lot to us and our families.

In 2016, we accommodated 700 families, 24 hrs a day, 365 days a year. To quote one of our families;

"From the bottom of our hearts we thank you for your kindness and for taking us under your wing and allowing us to become a part of your family. From that day forward our lives drastically changed for the better and I will never forget that. You brought us our only sunshine"

Our House is built on the simple idea that nothing else should matter when a family is focused on the health of their child – not where they can afford to stay, where they will get their next meal or where they will lay their head at night to rest. We believe that when a child is hospitalised the love and support of family is as powerful as the strongest medicine prescribed.

We recognise that without your support, we could not be the 'home away from home' these families so desperately need.

Sincerely,

Simone Daher
Operations Manager
